1 lap = 4.75 miles

1 loop = 2.5 miles

Waterfront Amphitheater  
WVU Core Arboretum  
WVU Evansdale Campus  
Across Riverview Drive  
Down 8th Street  
Over to 6th Street  
Onto Caperton Rail-Trail  
and back to amphitheater

Variation: Just the Loop

## 4.75 miles Lap

1. Beginning at the Hazel Ruby McQuain Waterfront Park on Caperton Trail walking towards Star City (passing the Seneca Center).
2. Continue on the trail until you reach the WVU Core Arboretum sign on the right. This trail is completely up hill, but offers much to look at while taking breaks along the way.
3. Once to the top of the hill, you will cross Beechurst Avenue linking up with a sidewalk that passes the WVU CAC.
4. Continue up the hill to the Engineering PRT Station. Follow Evansdale Drive, past the WVU Greenhouse on your right.
5. Cut through the pay 'n park lot to Riverview Drive & follow it to University Avenue. Take a RIGHT on University Avenue and another onto 8<sup>th</sup> Street.
6. 8<sup>th</sup> Street is very steep and without good lighting or sidewalks. Use Caution!
7. LEFT at the bottom of the hill to 6<sup>th</sup> Street. Follow 6<sup>th</sup> Street to Caperton Trail and head back to the amphitheater.

## 2.5 miles Loop

Enter the Caperton Trail off of 6<sup>th</sup> Street. Walk to the WVU Core Arboretum, up to Evansdale Campus and back to 6<sup>th</sup> Street.
